

Hereford Parade Guidance

St. James' Church float is Unit #10 and will be located on the SHA Road (next to Graul's).

For all those that are helping to decorate please be at the float by 4:30 pm; all other participants need to be at the float by 5 pm. Please wear red, white, and/or blue. If you have a patriotic hat, please wear it. Otherwise, patriotic hats will be provided. There will be shuttle buses running back and forth between Hereford High School and the Graul's parking lot. I would suggest that you park around Bunker Hill Road (since that is where the parade ends) and take the shuttle to Graul's.

I still don't have a music system to play patriotic songs on the float --- if you have a system that you are willing to let us use, please let me know asap. If you have any questions, please call me at 410-329-6715.
